The People's Pantry will be open on Monday evenings starting in February. People's Pantry provides food at no cost to South County residents. The Pantry is located in Saint James Place in Great Barrington. The entrance is at 5 St. James Place (Taconic Avenue) opposite CVS. Thursday morning hours from 10am to 1pm are unchanged. The new hour is to help people who cannot shop during the daytime.

Any local people are invited to shop once per week for a wide variety of produce, meats, dairy and dry goods. There are no income or ID requirements. Food amounts are based on household size. Shoppers make choices within a large variety of options. Please bring shopping bags.

If you are currently a Thursday shopper please share this information with others. We want this opportunity to be for those who cannot shop on Thursday between 10am and 1pm. Households may shop only once per week.
